Power to attract all three worlds !!!

Kaama kalaa dhyaanam - Kaama jayam

हरमहिषि Oh, the Queen of Parasiva, यः ध्यायेत् One who meditates upon
मुखं बिन्दुं कृत्वा the Bindu as Your face तस्य अधः below that कुचयुगम्
the breasts – तदधः below that, हरार्धम् the half-form of Siva (the yoni)
and ते Your, मन्मथकलाम् kaama kalaa (which is the klim bijam)
स सद्यः he immediately, वनिता संक्षोभं नयति attracts all kaama sakti;
इति अतिलघु this is very simple; आशु भ्रमयति he will quickly attract even
त्रिलोकामपि the three worlds (which is in the form of a maiden with)
रवीन्दु-स्तनयुगाम् sun and moon as her breasts.

**Oh, Queen of Hara ! That one who meditates on Your Kaamakalaa,
treating Your face as the Bindu, the pair of breasts under it and half of
the letter ह below it, at once impassions women; but this indeed is
trifle for him; for, he swiftly can entice the three worlds (conceived as
woman) that has the sun and the moon for Her breasts. S.L. 19**
