Oh Devi, धाता Brahma, जगत्सूते creates the Universe; हरिः अवति Vishnu sustains it; रुद्रः क्षपयते Siva dissolves it; ईशः Paramesvara तिरस्कुर्वन् एतत् absolves these three in Him and, स्वं वपुः अपि तिरयति dissolves His own body also. सदा पूर्वः Sadasiva (the one who has “sadaa” in front of His name) सर्वं तत् इदम् अनुगृह्णाति approves of all these आलम्ब्य based on तव Your ; आज्ञाम् command, क्षणचलितयोः communicated through the momentary movement of Your भ्रूलतिकयोः eyebrows!

Brahma creates the Universe; Hari sustains it; Rudra dissolves it. Annihilating them, Isvara conceals Himself as well. Sadasiva approves of them, pursuant to Your command conveyed through Your creeper-like (curved) movement of eye-brows just for a moment ! S.L. 24
