शिवे Oh consort of Siva, तव चरणयोः on Your feet,
या पूजा विरचिता whatever puja is performed – that puja भवेत् is (also)
puja offered त्रयाणां देवानां to the Trinity तव त्रिगुण-जनितानां who are
generated based on Your three qualities. तथा हि That is only
appropriate. (because) एते These three स्थिता हि stand! शश्वत् always
निदटे near त्वत्पादोद्बहन-मणिपीठस्य the diamond seat that supports
Your feet, मुकुलित-करोत्तंस-मकुटाः with their folded hands on their
crowns !

Oh, siva's consort! Worship offered at Your feet is worship offered to
the three gods born out of Your three qualities. It is just so, because
they stand perpetually near Your jewelled seat bearing Your feet, with
their folded hands as their crest-jewels. **S.L. 25**
