पशुपतिः Paramasiva अतिसन्धाय having filled सकल भुवनं the entire world with परतन्त्रैः other tantras (such as) चतुःषष्ट्या तन्त्रः the 64 tantras (which are capable of) तत्तत्-सिद्धि-प्रसवः giving only what ever siddhi is sought by any one (and) स्थितः and remained (satisfied). पुनः Besides, त्वत् निर्बन्धात् by Your compulsion, अवातीतरत् created, क्षितितलं in this world ते तन्त्रं Your tantra (which is) इदम् this (Srividya) (which is) स्वतन्त्रं capable of अखिल-पुरुषार्थैक-घटनाः conferring all purushaarthas (dharma, artha, kaama, mokksha) by Itself on the votary !

Oh, Mother, having deluded the entire world with 64 tantras which are devoted to produce various siddhis relating to each, the Lord of the Jivas again brought into this world, due to Your compulsion, this (Your) tantra, which is the sole means of achieving by itself, all the objects of human desires.
