Oh, Devi विशुद्धौ ते in Your *visuddhi chakra*, सेवे I worship शिवं Siva
(Who is) शुद्धस्फटिक-विशदं व्योमजनकं as clear as *sphatikam* and the
creator of the *aakaasa tattvam*, and (I worship) देवीमपि the Devi
(Who is) शिवसमान-व्यवसिताम् equal to Siva in all respects. I worship
Them ययोः कान्त्या यान्त्याः शशिकिरण-सारूप्यसरणेः from Whose
moon-like brightness जगती the Universe विलसति brightens,
विधूत अन्त-ध्वान्ता removed from the darkness of ignornace, like the
चकोरी इव *cakora* bird that rejoices in the moonlight.

**I worship in Your *visuddhi cakra*, which is clear as pure
crystal, Siva, the creator of *aakaasa* – and the Devi similar of
similar function, by whose luster flowing in streams resembling
the moon's rays, the world gets rid of its internal darkness, like
the *cakora* bird.**
