Power to mitigate evil influences of planets

तव सव्यं नयनं Your right eye अर्क आत्मक तया being of the nature of Sun अहः सूते creates the day. ते वामं नयनं Your left eye रजनी नायक तया being of the nature of Moon, त्रियामां सृजति causes night, and ते तृतीया दृष्टिः Your third eye दरदलित-हेमाम्बुज-रुचिः having the luster of a slightly blossomed golden lotus, सन्ध्यां समाधत्ते causes the Sandhya time, which is दिवस-निशयो-रन्तरचरीम् in between the day and night!

Your right eye, being of the nature of the sun gives birth to the day; Your left eye, of the nature of Moon, causes night, and Your third eye, having the luster of a slightly blossomed golden lotus, causes the twilights between them. **S. L. 48**
