वाचां जननि Oh Mother of all Learning (words)! त्वदीयाभिः वाग्भिः तव
 स्तुतिः इयं - this stotram (of SL) composed of words , which are your own,
 is like प्रदीप-ज्वालाभिः दिवसकर-नीराजनविधिः- doing karpooara Arathi to
 the Sun god! सुधा सूतेः चन्द्रोफल-जललवैः अर्घ्यरचना - like offering
 arghya to the moon-god with the moon's cool rays of amritam itsef; and
 स्वकीयैः अम्भोभिः सलिल-निधि-सौहित्यकरणं -like offering water
 (tarpaNa) to the Ocean-god, with the water already belonging to the
 Ocean. **S.I. 100**

Oh Mother of all speech (words) ! Like unto the waving (in adoration) of
 the flames of lamps before the Sun, like offering unto the Moon (as
 oblation) the drops of water got from the moonstone, and similar to
 satisfying ocean by offering to it, its own water, is this Your praise in
 words that emanated from You!
