Sri Moolaprakrutaye Namaha

Description of Sri Cakram

Benefit – Fertility; Good Children - सत्संधानम्

तव चरणकोणाः (Oh, Mother), (the angles of) Your abode, (is made up of) चतुर्भिः श्रीकण्ठैः four Siva-Cakras, पञ्चभिः शिवयुवतिभिः five Sakti-Cakras (which are) शंभोः प्रभिन्नाभिः kept apart from the Siva-Cakras, (by the bindu at the center) and नवभिः मूलप्रकृतिभिः अपि the nine moola-prakritis or the causative forces of the Universe. (Then, there are) वसुदल a lotus of 8 petals, and another of कलाश्र 16 petals, (surrounded by) त्रिवलय-3 circles, and त्रिरेखाभिः three lines. सार्धं परिणताः With all these, (Your abode is made up of) चतुश्चत्वारिंशद् 44 (angles) tattvas.

Oh, Devi ! The four *Sri Kanthas* (siva-cakras) and the five *Siva-yuvatis* (Sakti-cakras) are the nine *moola-prakritis* or basic manifestations, and these are apart from *Sambhu* (the *bindu* in the center). Then, there are two lotuses, one of eight petals and another of sixteen, besides three surrounding circles and three lines. This forms Your mansion with forty four *konas* (triangles)
