### Sri Devyai Namaha

**Greatness of even a minute particle of dust from Her Lotus Feet  
 To remove obstacles (पञ्च भूत विजयार्थम्)**

विरिञ्चिः Brahma, संचिन्वन् collecting तनीयांसं the very minute पांसुं dust from तव your चरण-पङ्केरुह-भवं Lotus Feet विरचयति creates लोकान् the worlds अविकलं without disorder; शौरिः Adishesha शिरसां सहस्रेण by His 1000 heads कथमपि somehow वहति supports एनम् this Universe (which is a dust on Your Feet); हरः Siva एनं संक्षुद्य by crushing this Universe into powder भसितोद्धूलन-विधिम् भजति follows the procedure of smearing it on His body as vibhuti (during dissolution)

Collecting the microscopic particles of dust falling from Your lotus-feet, Brahma creates the worlds in regular order (intact), Vishnu (in the form of Adishesha) bears them somehow with great effort (might) though with thousand heads, and Siva reducing the particles into ashes (at the time of dissolution) besmeared his body with them (vibhuti) **S.L. 2**
