लोकानां शरण्ये Oh, the refuge of the World! त्वदन्यः दैवतगणः those deities other than You; पाणिभ्या-मभयवरदः bestow boons and shelter from fear by the mudra of Their hands. त्वं एका You alone न एव असि do never प्रकटित-वर-अभीति-अभिनया show forth the varada and abhaya (granting and protection) gestures; हि (It is so) because, तव चरणौ एव Your Feet are by themselves निपुणौ हि powerful भयात् त्रातुं to protect those in the grip of fear and वांछासमधिकं grant more than what is desired by the devotees !

Oh, Devi, the refuge of all the worlds ! All Devas except You, vouchsafe protection to devotees and grant their desires by gestures of their hands. You alone do not show forth the varada and abhaya (granting and protection) gestures. It is so because Your Feet are by themselves powerful to protect those in the grip of fear and grant more than what is desired for by devotees !
