Immunity from small pox, Her third eye

अलिक नयनं किञ्चिदरुणम् The eye on Your forehead turns a little red, असूया-संसर्गात् actuated by jealousy, दृष्ट्वा on seeing the कटाक्ष-व्याक्षेप-भ्रमरकलभौ bee-like eyes (side-glances) that are नवरस आस्वाद-तरलौ eager to enjoy the nava-rasas, and कर्णयुगलम् अमुञ्जन्तौ not leaving Your pair of ears, that are मकरन्त एक-रसिकं solely delighting in the honey of the सन्दर्भ-स्तबक bunch of compositions of कवीनां great poets !

The eye on Your forehead turns a little red, actuated by jealousy on seeing the bee-like side glances that are eager to enjoy the nine sentiments and not leaving Your pair of ears, that are solely delighting in the honey of the bunch of compositions of great poets. **S.L 50**

Japam: Morning facing E /N 1000 times for 5 d

Benefit: Relief from small pox

Yantram: Turmeric powder

Naivedyam: sugarcane, sugar

The poems of great poets enter into Her ears as nectar; to relish them, Her two eyes expand up to the ear like bees. The 3rd eye is jealous and So is reddened. Meditating on Devi like this give dUradrishTi.
