मन्ये (Oh Devi) I believe तव मुखमिदं चतुश्चक्रं मन्मथरथम् Your face-
is Cupid's four-wheeled chariot (having the pair of) ताटङ्कयुगलं Your
ear-ornaments प्रतिफलित reflected स्फुरद्गण्डाभोग in the expanse of
Your cheeks. महावीरो मारः Cupid, the mighty warrior यमारुह्य sitting
on it, द्रुह्यति plots revengefully (against) , प्रमथपतये the Lord of the
pramathaganas (Siva) who goes to the war; सज्जितवते अवनिरथं (going to
war) resting on the chariot of the Earth with अर्केन्दुचरणं the Sun and
Moon for its wheels.

I believe, that, this – Your face- is Cupid's four-wheeled chariot, having
the pair of Your ear-ornaments reflected in the expanse of Your cheeks.
Cupid, the mighty warrior, sitting on it, plots revengefully against the
Lord of the pramathaganas (Siva), resting on the chariot of the Earth
having the Sun and Moon for its wheels.
