Abundance in milk in mothers

ksheerbhivrittyartham

नगपति-पताके Oh, banner of the lord of Mountains! अमू ते वक्षोजौ These
your breasts अमृतरस-माणिक्य-कुतुपौ are verily ruby-jars containing
nectar, नः मनसि न संदेहस्पन्दः - not the least doubt lurks in our mind
यस्मात् because, द्विरदवदन-क्रौञ्चदलनौ the elephant-faced one (Ganesha) and
the breaker of Krauncha mountain (Skanda), पबन्तौ तौ having drunk of
them (the breasts) कुमारावद्यापि continue to be children even till today,
अविदित-वधूसङ्ग-रसिकौ not having tasted the pleasure of the company of
women!

Oh, banner of the lord of Mountains! These your breasts are verily ruby-
jars containing nectar, - not the least doubt lurks in our mind because
the elephant-faced one (Ganesha) and the breaker of Krauncha
mountain (Skanda), having drunk of them (the breasts) continue to be
children even till today, not having tasted the pleasure of the company of
women!

S.L. 73

Japam: Morning facing E/N 1000 times 8 days

Benefit: Abundance in milk in mothers
